

Dear Parents,

Pre-School will be opening on 5 January.

In view of the increased infection rates in this Borough, we will be very strict in accepting children into the setting.

We must all work to keep each other safe in this very difficult time.

In the interests of all children and staff, children will **NOT be allowed to attend:**

- if they have a cold (a runny nose) or a cough, however slight or
- If their temperature is above 37.8 degrees.

Please also remember that:

- only one parent may bring their child into the setting. (Siblings can also enter the premises but only if there is no-one at home to look after them.
- parents **MUST wear a face covering**. If you are exempt from wearing a mask **PLEASE WEAR A VISOR**

Should a member of staff or child contract Covid it is highly likely that the setting will be shut for the mandatory 10 day period as we are all in one bubble.

Thank you for your co-operation and let's hope that 2021 will see an end to this pandemic.

Regards,

Sue Crossley
Director
