IMPORTANT NOTICE

With Step 1 of the Government's roadmap out of lockdown taking effect on 8 March and all children returning to their schools, it is important that we all remain vigilant and continue to follow Government Guidelines.

In the interests of all children and staff, children **WILL NOT BE ALLOWED TO ATTEND IF THEY ARE UNWELL**. This means:

- IF THEY HAVE A COLD (A RUNNY NOSE) OR A COUGH, HOWEVER SLIGHT OR
- IF THEIR TEMPERATURE IS AT OR ABOVE 37.8 DEGREES. PLEASE DO NOT GIVE YOUR CHILD CALPOL BEFORE ATTENDING.

Please also remember:

- follow the 2 metres social distancing rule whilst waiting outside the setting.
- only one parent may bring their child into the setting. (Siblings can also enter the premises but only if there is no-one at home to look after them.)
- parents **MUST** wear a face covering. If you are exempt from wearing a mask **YOU MUST WEAR A VISOR**.
- if anyone in your family bubble is showing signs of coronavirus and are awaiting test results do not send your children into the setting and keep us informed of the results.

Should a member of staff or child contract coronavirus it is highly likely that the setting will be shut for the mandatory 10 day period as we are all in one bubble.

Thank you for your co-operation and let's hope that 2021 will see an end to this pandemic.

PLEASE ALWAYS CHECK OUR WEBSITE www.wingle-tye.co.uk AND YOUR EMAILS FOR UPDATES, (bearing in mind that the emails may be in your junk/spam box).

Regards

Sue Crossley
Director
5 March 2021
