

WINGLE-TYE NEWS

Dear Parents,
Welcome back, we hope you had a lovely Easter break.

Our main topic for the period 19 April 2022 to 20 July 2022 is

ON THE FARM

- During this term we will be planting seeds and watching our plants grow, whilst understanding what they need to thrive. We will be looking at the story Who's on the Farm by Julia Donaldson.
- We will also be looking at the life cycles of a Hen and of an Apple Tree.
- We shall be exploring with paint and textures.

You may wish to talk about these topics with your child. Our suggested activities are:

- discussing life cycles and how things grow.
- looking at repeating patterns and practicing numbers.
- encouraging your child to get dressed by themselves and put on their shoes.

Covid Precautions

As you will be aware the next steps for living with Covid have been set out by the Secretary of State for Health & Social Care. In order to keep our children and staff safe it is still so important that children should not attend Pre-School if they are **unwell**. These symptoms could be a cold (runny nose), a continuous cough, headache, diarrhoea or feeling/being sick and above all if they have a temperature at or above 37.8 degrees. Please also do not give your children calpol before attending.

As the year comes to an end we shall continue with our Rising 5's focused activities for children leaving to start big school.

Reporting Absences

If your child is going to absent from Pre-School please can parents/carers call the setting before 9am that morning and **not email** as these go to the registered office and not the settings.
