

WINGLE-TYE NEWS

Dear Parents,
Welcome back, we hope you had a lovely Easter break.

Our main topic for the period 17 April 2023 to 19 July 2023 is

SCIENCE AND INVESTIGATION

- During this term we will be planting seeds and watching our plants grow, whilst understanding what they need to thrive.
- We will be looking at the story Room on the Broom by Julia Donaldson.
- We will also be looking at the life cycles of a Frog and watching caterpillars turn into butterflies.
- We shall be exploring with paint and textures, experimenting with floating and sinking and making slime.
- We will also be celebrating the Kings Coronation with a tea party.

You may wish to talk about these topics with your child. Our suggested activities are:

- discussing life cycles and how things grow.
- Reading or watching the film Room on the Broom.
- encouraging your child to get dressed by themselves and put on their shoes.

As the year comes to an end we shall continue with our Rising 5's focused activities for children leaving to start big school.

Reporting Absences

If your child is going to be absent from Pre-School please can parents/carers call the setting before 9am that morning and **not email** as these go to the registered office and not the settings.

Please note – If you no longer require your child's space for September we will need to be informed by **16 June**.
